Power of the Praying Church

Dec. 1, 2019

INTRO:

Acts 2:42-47

When we pray we see God's power in our lives and His Gospel multiplied.

I. When Prayer Goes Up (v42)

We Realize we're not God  
We Recognize who is God  
We Release our will  
We Replace it with His will

II. Power Comes Down (v43)

It's plugging into His power (power source)  
It moves us  
It moves others  
Changes circumstances

### III.The Proclamation Goes Out (v47b)

When great things happen people want to talk about it  
When God is moving people should desire to spread the word  
As God is being testified about people will be saved
