Description of Services _____

If you are like me, so often I find myself asking others for recommendations for electricians, travel agents, real estate agents, car repair, photographers, massage therapist, etc., etc. Our Shady Grove AWANA community wants to support all of our families and the businesses they may be involved in. Whether it is your 9-5 job or a hobby you have pursued and are now selling items from - we want to make a directory of all those things that you do, so we can support you and your family. If I know an AWANA family is involved in a business, I would much rather use them and support them than someone I do not know. Therefore, I would love for you to fill out this informational sheet and turn it in to me or email before the last full night of club {May 14} so at AWANA awards, I can provide a directory to each family and in turn we can start supporting each other.

Thank you,
Dottie Morris, AWANA Commander
