Exodus 20:1-21

Reveals the character of God.

Commandments are encased in Relationship

Never intended as the end. Primary purpose was to restore relationship between a Holy God and sinful man and establish the foundation for relationship with one another.

Whole law hangs on these two commands:

1. Love the Lord (relationship)
2. Love your neighbor (relationship)

Three Characteristics of God Revealed in 10 Commands:

I.His Desire for Relationship - Love

II.His Demand for Righteousness - Holiness

III.His Desire for Reconciliation - Justice
